

News and Views . . .

and what have you

by BOB CRAIG

Looks like this is going to be one of those winters that will be remembered for years to come when people talk about the weather. It won't take very much more snow, ice and freezing weather for this year to top the list of bad years.

When this was written Monday there didn't seem to be any end to the snow.

The weather Sunday was even bad for a group of Hamlin Jaycees. They started out to Odessa for a regional meeting and got as far as Roscoe and came back. When it is too bad for that bunch everyone needs to stay inside until it blows over.

We received a letter from Miss Eudora Hawkins, chairman of the Public Affairs Department of The Texas Federation of Women's Clubs, this past week in regards to a safety ad we carried in last week's Herald. The Women's Clubs of Texas are waging a relentless battle against the state's traffic problems.

Miss Hawkins' letter is printed here along with Federation's state program of Safety legislation in the hopes that our readers will take a great interest in the program. Figures released this week by the National Safety Council reveal that traffic accidents in 1960 took the lives of 38,200 persons and caused 1,400,000 injuries disabling beyond the day of the accident.

Dear Mr. Craig:

How we do need help in solving the State's traffic woes, and how we do appreciate the "Driving is NOT a right" ad in your issue of February 2! In the same issue you carried a release from the Texas Safety Association . . . all of which means you are really on the side of traffic safety. We know the power of the press to inform and arouse a person, we are deeply grateful for help like yours.

Enclosed is the State program Safety legislation which we are trying to get enacted by the current Legislature. The Texas Federation of Women's Clubs has been working especially for Driver Education, but we are behind the entire program, and will rejoice in any further emphasis you can give it. Mr. Musick's question, "Have you talked to (or written) your Legislator yet?" needs reiteration to all the people in Texas, because that is how the thing is done.

Gratefully yours
Eudora Hawkins

The safety legislation being urged by Federation is as follows:

Texas needs NOW: More rigid enforcement and more awareness and cooperation in safe driving and observance of traffic laws.

Texas needs NOW: More rigid enforcement and more certainty of punishment under present traffic laws, especially those relating to hazardous speeds and driving while under the influence of intoxicating liquor.

Texas needs NOW: Legislation which will give Texas 1. State Aid for Driver Education -- to enable all school districts to provide high school driver education to all students, and thus reduce, by up to one-half, the accident potential of future generations. 2. A stronger Driver License Law -- to upgrade the performance of all drivers, and to remove the few whose use of the highways seriously endangers the lives and property of other citizens. 3. A Chemical Test Law -- defining the admissibility and meaning of results of chemical tests as evidence in trial of cases which involve driving while under the influence of intoxicating liquor. 4. Traffic Courts -- with adequate facilities and professionally trained judges, with sufficient authority and jurisdiction to enable them to apply the law effectively. 5. The increase of Texas Highway Patrol strength -- toward meeting minimum standards already met in states of similar size and problem.

MYSTERY FARM OF THE WEEK

Whose farm is this? If you can identify the farm pictured above call or come by the Herald office. The first one identifying the farm will be given a free six months subscription to the Herald. The operator of the mystery farm will receive a beautiful mounted enlargement of the original photo, if he will call at the Herald office.

Dr. Jauncey to Speak To Teachers Monday

The Jones County Teachers Association will meet Monday, February 13 at 7:30 in the Hamlin High School Auditorium. Guest speaker for the evening will be Dr. James H. Jauncey, pastor of the First Christian Church, of El Paso, Texas.

Dr. Jauncey holds ten academic degrees, including bachelor's degrees in science, psychology, philosophy and divinity; masters degrees in science, history and divinity; a doctor's

degree in mathematics and religion.

Born in Austria, he was technical advisor to the Australian government during World War II, after which he became head of the Department of Science and Mathematics at Kings University, Australia. He came to this country in 1948 and became a citizen in 1954. He was Professor of Theology and Philosophy of Religion at California Baptist Seminary, which he left to take up duties as an engineer on a scientific project at White Sands Missile Range in New Mexico. He was appointed to his present position at the end of 1958.

Dr. Jauncey was commencement speaker at Mc Murry College last spring and has been speaker for various organizations in the area.

C. F. Cook, superintendent of Hamlin schools, urges everyone to attend the meeting and to hear Dr. Jauncey. He says it will be worth your time.

Mr. and Mrs. David Butler have moved back to Hamlin from Stamford. He is employed at Hamlin Tractor and Auto Clinic.

MOTHER OF TEN ADOPTED CHILDREN SPEAKS TO P-TA

Mrs. Allen Andrus of Anson, mother of ten adopted children was guest speaker for the meeting of the Parent Teachers Association February 3 at 4:00 p.m. in the primary cafeteria.

Herbert Smith, minister of the Church of Christ, gave the invocation.

The story of "The Gingerbread Boy" was presented in song and pantomime by the pupils of the four first grade classes, under the direction of Mrs. Willard Maberry, public school music teacher.

Room count was won by Mrs. William's first grade room. Mrs. H. L. Mehaffey explained in her "Founders Day" report that the P T A was originally known as the National Congress of Mothers and is one

of the largest volunteer organizations in the United States.

The State Life Membership Award was presented, by Mrs. J. F. Bishop, to Miss Maggie Mae Seymore, fifth grade teacher in Hamlin Elementary School. Miss Seymore is a graduate of Mc Murry College of Abilene, a member of the Church of the Nazarene and the Business and Professional Woman's Club. She has taught school for 18 years, 16 of which have been in the Hamlin schools.

Mrs. Gerald Young, president of the P T A, introduced Mrs. Andrus who spoke from her personal experiences on "Time-How It Is Used".

She stressed the fact that everyone has the same amount of time, 24 hours each day, but how the time is used depends on the individual's management of that time.

Some suggestions made by Mrs. Andrus were to have a set of goals, regardless of your occupation; to budget your time as you do your money; eliminate all unnecessary duties you do each day; don't try to keep up with the Jones; plan your time according to the activities of your family; be strict about the management of time after your plans are made; try to have more family group activities; and never use your children for an "excuse" to say "no" when asked to perform some duty for your church, school or other organization.

"If you don't manage children in time -- time and children will manage you", was a timely suggestion given for all parents.

She further stated that the housewife who is bored with her daily chores and even with all the modern conveniences, feels neglected, must realize that she is of the highest paid profession in our country. Very few housewives could earn the amount of money they spend each month in their household budgets. The housewife and mother is actually queen of her home.

Dr. and Mrs. Andrus have adopted ten children ranging in age from infants to teenagers. They have one grandchild.

In addition to her family responsibilities, Mrs. Andrus teaches the Junior Sunday School class at the First Methodist Church of Anson, is first vice president of the Tuesday Study Club and both she and her husband are active in P T A and other civic activities.

Mrs. Ed Boaz of Anson, daughter of Mrs. Joe Culbertson of Hamlin was a visitor at the meeting.

TWO NEW WILDCATS STAKED AND 6 FIELD WELLS COMPLETED

Two new wildcats have been staked in Jones County and potentials have been taken at six field wells completed in the county.

Copaz Oil and Gas, Corporation of Baird staked a wildcat 2 1/2 miles west of Hodges. It is No. 1 E. F. Vantreese and is contracted to 3,000 feet. Location is 330 feet from north and west lines of lot 107, G. A. Kirkland survey.

The other venture is Fletcher Oil and Gas Drilling Corporation of Dallas, No. 1 Lee H. Sandoers. The 4,200-foot test is 20 miles southeast of Hamlin and also is 660 feet from south and 467 feet from west lines of lot 48, M. W. Dykes survey 218.

Fletcher Oil and Gas Drilling also completed the six wells, all in the Horton (lower Cisco sand) field seven miles northwest of Merkel.

No. 1 Alma Collins, lot 19, DeWitt County School Land survey 150, had a daily potential of 93.22 barrels of 44.5 gravity oil. Flow was through a 16-64-inch choke with packer set on the casing and 320 pounds tubing pressure.

It is producing from perforations at 3,650-72 feet where the formation was ruptured. Casing was set seven feet off bottom at 3,743 feet. Gas-oil ratio was 1,600-1.

Daily potential for No. 2 Alma Collins, lot 19, was 90.20 barrels of 44.4 gravity oil daily on 16-64-inch choke and perforation at 3,552-83 feet. Casing is set at 3,688 feet and the hole bottomed at 3,750 feet. Gas-oil ratio was 1,600-1.

No. 3 Alma Collins, lot 19, had a daily potential of 105.45 barrels of 44.3 gravity oil. Flow was through a 16/64 choke with a packer set on the casing and 540 pounds tubing pressure. It is producing from perforations at 3,485-97 feet, 3,601-06 feet. Casing is set at 3,717 feet and the total depth is 3,750 feet. Gas-oil ratio was 1,800-1.

The firm's No. 1 John R. Collins, lot 24, same survey, had a daily potential of 94.88 barrels of 43.9 gravity oil. Flow was through a 16/64-inch choke with packer set on the casing and 180 pounds tubing pressure. It is producing from perforations at 3,529-38 feet, 3,565-71 feet, 3,484-88 feet and 3,616-31 feet. Casing is set at 3,743 feet and total depth is 3,765 feet. The formation was ruptured.

Completed for a daily potential of 97.30 barrels of 43.8 gravity oil was No. 1-A John R. Collins, lot 24. Completion was on a 16/64-inch choke with packer set on the casing and 120 pounds tubing pressure. It is producing from perforations at 3,611-21 feet, 3,045-49 feet, and 3,660-63 feet. Casing is set at 3,753 feet and the hole bottomed at 3,800 feet. Gas-oil ratio was 1,450-1.

Other well is No. 3-C Lilley P. Brown, lot 26, same survey, and flowed 87.38 barrels of 44.5 gravity oil daily on 16/64-inch choke and perforations at 3,526-70 feet. Gas-oil ratio was 1,340-1. Formation had been fractured.

Megargel Drilling Company of Megargel abandoned at 2,288 feet its No. 1 Tena Carlton, section 3, block 5, H&TC survey, five miles east of Stamford.

Heavy Snow Storm Blankets W. Texas

The ground hog saw his shadow February 2 and six more weeks of winter got off to a good start with rain, sleet and snow making travel hazardous and closing schools for one day.

The sprinkles of rain during the day Saturday came to a climax late in the afternoon with a thunder storm followed by sleet during the very early morning hours Sunday, then snow began falling and did not stop until Monday night.

According to the official reports from the City Pump Station there was 4 1/4 inches of snow with .60 inches of moisture. Unofficial reports, however, show 5 to 6 inches of snow and considerable more moisture in some places over the area.

Road conditions were hazardous for a time but the sunshine and warmer temperatures Tuesday began to thaw the snow. All highways were open, although the unpaved

roads will be difficult to travel for several days.

Only one minor accident was reported by the Hamlin City Police Department.

School children had a chance to enjoy the snow when classes were dismissed Tuesday due to the number of absentees as a result of the inclement weather conditions. A large percent for the 164 students absent Monday were the town children rather than the rural children, according to C. F. Cook, superintendent of Hamlin Schools.

Classes resumed their regular schedules Wednesday.

Hamlin, Spur Vie For District Title

A win over Spur here Friday night or at Spur Tuesday will give the Pied Pipers the district 6-AA basketball championship following Anson's 44-41, victory over Spur Tuesday.

Although Hamlin and Spur were originally scheduled to play January 24, the game was postponed because of bad weather until February 14 with the schedule changed for Spur to play here Friday night and there Tuesday.

Hamlin is undefeated in district play with two wins each over Anson, Stamford and Haskell. Spur lost their first district game when Anson set them back Tuesday.

Three games will be played both nights with the B team starting the action at 5:00 p.m. The Hamlin Junior High team will play Albany tonight (Thursday) in Albany.

Hamlin defeated ACC High School Tuesday night, 92-74, on the sharp shooting of Cecil Roberson who pushed in 30 points.

Stamford, Hamlin Jaycees Talk Up Aspermont Chapter

Efforts are being made to organize a Junior Chamber of Commerce chapter in Aspermont by the Hamlin and Stamford Jaycees. The first meeting was held in Hichman's Restaurant Tuesday night with several Jaycees from here attending.

Four men attended the meeting from Aspermont and plans were made for a second meeting to be held there Monday night at 8 p.m.

The Hamlin and Stamford Jaycees were assisted by Earnest Sears of Snyder, vice president of Region 5, in telling the Jaycees story.

1961 LICENSE PLATES NOW ON SALE HERE; HAMLIN PREFIX DB

1961 license plates went on sale in Hamlin February 1 next door to the Hamlin Herald in the building formerly occupied by Hamlin Shoe Service. W. Theo Johnson is handling the sale of plates this year.

Hamlin motorists will be issued plates with the prefix DB and the numbers will run from 5525 to 6999. Last year approximately 1,800 license plates were sold in Hamlin.

Texans will notice a newly designed license plate for 1961. A different style of letters and numerals have been used to make the plate more readable from a distance. Black letters and numerals on a white background is the color scheme for 1961.

A new numbering system will be used for some classifications such as trailers, truck tractors and busses. These classifications will have a one-letter prefix with from two-to-five digit numerals. For example: A trailer number could be A-10 or A-12345. The numbering system for other classifications will remain the same as 1960. The change in the system was brought about by the ever increasing number of registered vehicles in Texas.

Greer expressed the importance of registering all automobiles and trucks in the

county of the vehicles owner's residence.

"Do not ask the County Tax Collector to violate the law. He is required to demand to see your certificate and title and 1960 license receipts before he can issue your 1961 plates."

The penalty for operating a vehicle without home-county license plates is the same as operating a vehicle with no plates at all. Court fine can be as much as \$200, plus being required to register in the home county with a 20 percent penalty of the annual fee. Refunds cannot be granted for the illegal plates.

Owners registering illegally in 1961 can expect to face court charges.

"Don't risk an illegal registration," Greer urged. Remember, too, that a portion of all registration fees stays in your home county to benefit your local community."

Seniors to Sponsor Chili Supper before Carnival Feb. 11

The Senior class of Hamlin High is sponsoring a chili supper before the carnival, Saturday, February 11, from 5:30 to 7:30 p.m. Chili, beans, homemade pie, coffee, or milk will be served. Tickets for the supper are only 75c and may be bought from any high school senior.

Stamford Methodist Church to Dedicate Remodeled Plant

Dedication services for the remodeled sanctuary of the St. John's Methodist Church of Stamford will be held at the morning worship hour, 10:50 a.m. Sunday.

Dr. Robert E. Goodrich Sr., pastor of the First Methodist Church of Dallas, will be preaching at that time.

Dr. Goodrich was pastor of the Stamford church in 1910, at the time the present building was erected.

At 2:00 p.m. of the same day Dr. Burgen Watkins, pastor of St. John's will conduct a special dedication service for the Amerson Memorial Chapel which was donated by Mrs. C. P. Amerson in memory of her late husband.

The Rev. Newton Starnes, pastor of the First Methodist of Canyon and former pastor of St. John's, will be speaking at the evening services at 7:00 p.m.

The public is invited to attend all of these services and also the exception and open house to be held from 3:00 to 5:00 p.m. for former pastors and district superintendents.

County Singing

The Jones County second Sunday singing will be held at the Hanna Baptist Church Sunday, February 12, at 2:00 p.m.

Felix Thompson of Anson, president of the group, urges that everyone interested in old time singing is invited to attend.

MARCH OF DIMES DRIVE NETS \$969.05 WITH SOME STILL OUT

With some money yet to be turned in, the funds for the Hamlin March of Dimes Drive totaled \$969.50. Tuesday morning according to Max Murrell, chairman.

Amounts received by various participating organizations were: The Boy Scout's blocades—\$280.37; canvass of the business section of town—\$287; the Mother's March—\$309.68; and from miscellaneous contributions—\$92.00.

Mrs. Gerald Young, president

of the P T A wishes to express her appreciation to Mrs. Gene Westmoreland and her committee on public affairs and to all the ladies who helped with the Mother's March.

Murrell stated that there are some contributions from the school children's envelopes that have not yet been counted. He feels the drive was very successful and appreciates the efforts of all who helped to make it possible.

PURPOSE OF JAYCEES TOLD TO 'BOSSES' THURSDAY NIGHT

To make their community a better place to live and leadership training are the two reasons for the existence of the Hamlin Junior Chamber of Commerce, Jaycees and their employers were told at the Jaycee Bosses' Night banquet by Lewis Timberlake, of Stamford national director and candidate for president of the Texas Junior Chamber of Commerce.

Speaking to the group Thursday night, Timberlake explained the need for a training ground for the future leaders of the community. And how the Jaycee program could fill this need.

Guy Weaver presented a brief roundup of the clubs ac-

tivities since its charter last spring.

Max Murrell served as master of ceremonies for the occasion. Jerry Howard, local president welcomed the bosses and thanked them for the time that they had permitted their employees to take off from their jobs to work on the club's projects.

Timberlake, who was introduced by Bob Craig, said that service is the yardstick by which we are measured by and that we can either live for a community or off of it.

"Hamlin will ask a question of everyone of you--when Hamlin needed your most, where were you?" Timberlake stated.

I WANT TO HELP!

Please enter my membership in the Hamlin Board of Community Development for the year 1961. I would like to do my share in insuring the future growth of Hamlin and protect my investment here.

School to Increase Tax Valuations

THE NEED FOR MORE ROOM FOR SCHOOL PURPOSES - That this has been a problem to your board of trustees is evident. When we began to make our budget for this school term it was evident that we must in some way provide for more funds as we had to make a raise in salaries in order to get teachers of ability and to secure them in time for our opening. To do this we had only one resource and that was to appoint a board of equalization and reassess all of our property at a higher valuation. Owing to the marked decline in most all properties we cannot expect to maintain this high valuation. We now have some 180 pupils on half day session, which militates against our standing as a school.

We urge each taxpayer before he shall decide against this plan that he or she give the matter most careful study and vote and talk for the best interest of our rising generation and for the best interest of method of making the announcement in advance. Very cordially yours, the Board

of Trustees, by president, W. E. Benson.

The Sparks Drug Company will open Monday. The new people come to our city from Stamford and by way of further introduction we shall tell our readers that there's four splendid looking fellows, the list being headed by the father B. E. Sparks will allow us to introduce them further and followed by his three sons. The old gentleman is a very jolly fellow who proposes not to work but who will always be found on the job with a big stock of pleasantry. When we try to tell you of the "boys" it is a little hard to fix it just so you will understand -- one of them is married, and the other two ought to marry; every one of them looks like the other two, and it might be a little embarrassing when one of the many pretty girls of Hamlin is introduced to the single men and then later smile at the married one. Any way we present to you R. T. (Rupert, the married one), L. S. (Leslie) and P. H. (Perry) Sparks, and welcome this fine family to our community.

25 YEARS AGO

Phelps Leases Ice Plant from WTU Co.

C. E. Phelps, who has been in the ice department of the West Texas Utilities Co., has leased the ice equipment and business of that company in Anson, Haskell and Hamlin.

In this city he will maintain ice service as in the past -- at the plant and at the station on North Central Ave. and free delivery truck to residences.

Born to Mr. and Mrs. Gallaway, a daughter on Saturday, February 8.

Homely Wisdom -- by Lolet

-- can, will and must are all

forceful words when preceded

by the pronoun I.

Success rarely comes to a person; it is something that must be sought.

It is far better to keep silent than to say something you will later regret.

Service is the highway to happiness.

Highlights AND Sidelights

by Vern Sanford

TEXAS PRESS ASSOCIATION

Austin—Organized, but in some quarters, highly disgruntled, the Texas House of Representatives is down to business.

Speaker James Turman did what comes naturally. He gave committee chairmanships, down the line to those who supported him in his race for speaker. Key committees have a solid majority of Turman men.

Supporters of Turman's opponent, Rep. Wade Spilman of McAllen, are not happy with their assignments. Mostly experienced legislative hands, they can be expected to do some land mining along the path of the slim Turman majority.

Among chairmen of major house committees are these: Revenue and Taxation, Rep. Charles Ballman of Borger; Appropriations, Rep. James M. Cotton of Weatherford; State Affairs, Rep. Bill Hollowell of Grand Saline; Constitutional Amendments, Rep. Charles Sandahl Jr. of Austin; Education, Rep. Malcolm McGregor of El Paso; Agriculture, Rep. Grainger McIlhenny of Wheeler; Livestock and Stock Raising, Rep. Steve Burgess of Nacogdoches; Insurance, Rep. Murray Watson Jr. of Mart; Congressional and Legislative Districts, Rep. C. W. Pearcey of Temple; Highways and Roads, Rep. Alonzo Jamison of Denton; Judiciary, Rep. L. DeWitt Hale of Corpus Christi; Banks and Banking, Rep. Ben Lewis of Dallas; and Game and Fisheries, Rep. Roy D. Harrington of Port Arthur.

Lt. Gov. Ben Ramsey of San Augustine had named his Senate committees several weeks ago.

Sen. Wardlaw Lane of Center heads the Senate's State Affairs Committee. It's a post he held four years ago for the 55th Legislature.

This is the committee that will consider new tax bills after they have passed the House. Money raising measures must originate in the House.

Appropriations, the other half of the money raising-money spending puzzle, will be handled in the Senate by the Finance Committee, headed by Sen. Ray Roberts of McKinney. Other Senate committee chairmen are: George Moffett of Chillicothe, Agriculture and Livestock; Sen. Robert W. Baker of Houston, Banking; Sen. Charles Herring of Austin, Claims; Sen. Louis Crumb of San Saba, Constitutional Amendments; Sen. Crawford Martin of Hillsboro, Contingent Expenses; Sen. A. M. Aikin Jr. of Paris, Counties, Cities and Towns; Sen. Andy Rogers of Childress, Education; Sen. Culp Krueger of El Campo, Game and Fish; Sen. Bruce Reagan of Corpus Christi, Insurance; Sen. Preston Smith of Lubbock, Interstate Cooperation; Sen. Dorsey Hardeman of San Angelo, Jurisprudence; Sen. David Ratliff of Stamford, Labor and Management Relations; Sen. Abraham Kazen Jr. of Laredo, Legislative, Congressional and Judicial Districts.

TAX REFERENDUM PUSH-ED -- Two bills have been introduced to allow voters to express their tax likes and dislikes directly in a referendum at the April 4 senatorial election.

Rep. Wesley Roberts of Lamesa introduced a measure which would allow voters to make a choice between a sales tax, income tax or payroll tax.

Rep. Henry Fletcher of Luling introduced a similar bill with the additional choice of selective sales taxes.

Meanwhile, these have been House.

A 2 per cent general sales tax, exempting groceries, school lunches, prescription drugs, farm machinery, seed and fertilizer, by Rep. John Allen of Longview. Estimated yield: \$80,000,000 a year.

A revised formula for franchise taxes on interstate corporations, by Rep. Franklin Spears Jr. of San Antonio. Estimated yield: \$10,000,000 a year.

A temporary (one year) increase in the gas production tax from 7 to 10 per cent, by Rep. George T. Henson of Mineola. Estimated yield: \$22,500,000.

SS. FOR LAWMAKERS -- Social security deductions from Legislators' salaries will be paid by the state under a bill finally passed by both Houses.

This bill stirred up fireworks in the House where it passed only 76-65. Rep. R. A. Bartman of New Braunfels was spokesman for those who deplored the legislator's spending more money on themselves in the face of the recent salary raise and the state's need for more money.

SPEAKERSHIP PLAN PROPOSED -- New ground rules are being pushed for one of the hardest-fought, most trouble causing races in Texas politics.

A proposed Constitutional amendment would allow newly elected House members to meet and elect their speaker at least a month before the regular session opening day. Reps. W. T. Duncan of McKinney and Ben Lewis of Dallas are sponsors.

This plan would give the winning speaker time to name committees and be ready to begin work on an organized basis at the start of the session.

Proposed amendment would also limit a presiding officer to one term, bar campaigning in the House and require monthly reports on campaign contributions.

Also proposed is that the post be an elective one the same as the Lt. Governor's office. That would let the people decide and settle the matter early in November. CROWDED CALENDAR AHEAD -- Hundreds of bills on almost every conceivable subject have been launched on the legislative waters.

Some never will be heard of again. Some may change your way of living. Among these are proposals to: Up minimum retirement pay for teachers with 20 years' experience to \$1,800 a year; Remove the constitutional ceiling on state payments for the needy aged and increase the ceiling for payments to the disabled; Abolish the requirement for a wife's separate acknowledgement on property transactions; Allow a woman owning property before marriage to continue to manage it without her husband's consent after marriage; Set penalties for giving false testimony under oath to legislative committees; Set a state minimum wage of 75 cents an hour.

An average of 13½ million people, in 27 countries, receive food every month through various CARE programs using U. S. farm surpluses. Contributions to the CARE Food Crusade, New York 16, N.Y., deliver these foods to the hungry in 20 of the countries.

THE HAMLIN HERALD

REPORT FROM AUSTIN . . .

By REP. LEON THURMAN

The House of Representatives is about to end the fourth week without accomplishing a great deal toward its work.

Your Representative received the following committee assignments: Vice-Chairman of Military and Veterans Affairs, Vice-Chairman of Criminal Jurisprudence, Member of Conservation and Reclamation, Member of Local and Uncontested Bills and Member of Oil, Gas, and Mining Committee.

These were not the committee requests we submitted to the Speaker. We felt like we should be on the committee for Agriculture, since we are from an area that is predominant of agriculture, and we believe we should serve on Education; however, the committee assignments we received are good committees, and a lot of important legislation will be considered.

The Speaker has crawled on some of his committee assignments made to us. We feel that this is bad from his standpoint as speaker, and this has not only happened in our case, but in many cases in the Legislature. This will be to his disadvantage in many instances, as he has lost some good, loyal supporters.

The committees have all been organized, and with something over 300 bills introduced. The work will begin in earnest on Monday, February 6, and we think the remainder of the Legislative Session will be very busy, and we hope for the betterment of the people of Texas.

On February 1 we voted against Senate Bill 101, which will require the State to pay Social Security for members of the Legislature. The reason we voted against this measure is we feel it is an additional pay beyond the \$4,800 amount voted by the people. This probably is a small item, money-wise, but the small items add up, and each contributes to the deficit of our State.

We think the State should be placed on a pay-as-you-go basis and not operate in the red, and this cannot be done by the Legislature passing little items which cause more difficulty. The budget must be balanced by some method. We feel one of the best methods is to cut out some of the waste in our Government. If this is done, we would not need any new taxes at all.

We would appreciate hearing from the people of the 85th district in regard to any legislation r any problems they have.

Annual Texas 4-H Roundup Set for June 6 and 7

College Station.—The annual Texas 4-H Club Roundup will be held at Texas A&M College on June 6 and 7. The big day will be the 7th when hundreds of young Texans will vie for honors in the 25 judging and demonstration contests.

The two high ranking teams or individuals from each Extension District are eligible to participate in the statewide contests scheduled for Roundup. The district winners will be selected in district elimination contests held prior to the state meeting.

The boys and girls who attend Roundup will be accompanied by either their county extension agent or agents or by adult leaders.

Many of the state winning teams and individuals later in the year will represent their state in national contests and will, therefore, have an opportunity to add further to their training and 4-H experiences.

Program details are not yet available but will be announced well in advance of the June meeting, according to Extension Service officials.

LITTLE COLONEL By Bob McKinley

TUXEDO NEWS--

By MRS. CLYDE PRITCHARD

Opening of the "Amerson Memorial Chapel" will be at 2:00 p.m. Sunday February 12. The Chapel has just been completed in the St. Johns Methodist Church, Stamford, by Mrs. C. P. Amerson in memory of the late Mr. C. P. Emerson.

The public is cordially invited to attend.

The Church has done extensive remodeling of the sanctuary which is to be reopened this same day.

Eugene Bristo of Abilene spent Wednesday and Thursday with Junior Brigham.

Junior has been here this week visiting his parents, Mr. and Mrs. Oran Brigham and Randy between semesters. He returned to Austin Sunday afternoon to resume his college work there.

Mitzi and Tony Parnell were released from the Stamford Hospital Tuesday. Mrs. Ben Ashburn and Benny Parnell carried them to their home in Abilene. Their parents, Mr. and Mrs. Eugene Parnell brought Mitzi back to the doctor Saturday to see about the stitches from the incision made last Monday when she had a blood transfusion. Their family all returned home Sunday afternoon after visiting with the Ben Ashburns since Saturday.

Mr. and Mrs. Jack Buske, Sandra and Jackie spent Saturday and Sunday with Mr. and Mrs. T. J. Buske and Nora Mae of Wellington.

Mr. and Mrs. C. E. Wisener went to Sweetwater Tuesday to visit Mr. and Mrs. Charley Copenhauer and the T. Brady family. Mr. Copenhauer is not doing even as well as he has been lately.

The Wiseners made a business trip to Bowie Thursday. J. T. Wisener was carried to the doctor the last of this week and found he had intestinal flu and tonsillitis. He has been quite sick.

Mr. and Mrs. Roy Williams in company with their son, Royce Williams and his wife of Haskell made a trip to Ft. Worth Saturday and returned home Sunday.

The Roy Williams visited his brother and wife, Mr. and Mrs. H. W. Williams of Fort Worth and the Royce Williams visited her parents at Lake Dallas.

Mr. Dave Glenn left Friday for Edmondson and Plainview to visit Mr. and Mrs. Acil Glenn and children and Mrs. Arnel Glenn and Peggy Jans.

Visitors at the Church of Christ Sunday were: Mr. and Mrs. Wayne Bolwin of Post, Mr. and Mrs. Hoyt Goodwin of Springfield, Arkansas, Sandy Baize and Stanly Adcock of Snyder.

John Author French, who has been here at the home of his grandmother, Mrs. W. B. Apperson and uncles, John and Dulin working for them, returned to the home of his parents, Mr. and Mrs. D. V. French and twin sons Ronnie and Donnie of Denver City Thursday.

Mrs. Spencer Baize, chair-Abilene are the proud parents of a baby born in Hendrick Hospital, at 3:35, February 1. His name is Donald Paige. He has a two year old sister.

Paige attended Hamlin High School and is the son of Mr. and Mrs. Novel Baize, now of Potosi.

Mrs. Spencer Baize, chairman of the March of Dimes in this community reports \$58.74 contributed.

Sandra Gilbreath has been on the sick list this week, and the son of Mr. and Mrs. Willie Bennett, Gene of Abilene was

FAIRVIEW NEWS--

By MRS. ELMER JOINER

Visiting Mr. and Mrs. Mel Jones last Thursday night was their son, Bill Jones and family of Sweetwater.

Mr. and Mrs. Winston Gray and Dorothy, Mr. and Mrs. Robert Rhoads, went to Amarillo Friday to spend the week end. The Grays will visit their daughter's family, the Marvin Johnsons, and the Rhoads will visit their son's family, the Robert Rhoads Jr.s. From the weather reports coming from the Amarillo way, it may turn out to be a long week end before they can get home.

Rev. M. E. Randolph of Abilene, former pastor of Fairview, was a visitor in our community last Friday afternoon.

Mr. and Mrs. Wayne Hodnett went to Stamford last Wednesday to visit with George Wain-

scott who is in the hospital. Brenda, Cathy and Johnny Combs stayed with the Woodrow Goodwins from Thursday night until Saturday, while their parents went to Fort Worth.

Mr. and Mrs. Wayne Hodnett, Kay and Billy, Mr. and Mrs. Raleigh Bond, Mr. and Mrs. Jack Wright and Melinda Kay, all visited with Mr. and Mrs. Flavel Holmes last Tuesday night.

Mr. and Mrs. Flavel Holmes have both been ailing with a bad cold.

Miss Della Drake has been sick the past week.

The 42 players met with Mr. and Mrs. Fred Rosenbaum Friday night. Five couples were present. The Flavel Holmes were ill and had to stay home. Here is hoping they will be well Friday night and can join in the fun.

News is very scarce out this way this week, as has been the main topic of conversation, and that has to be over the telephone, is the bad weather. So many people can't get out to go any where; and it is too cold and bad if they could, so

about all we know is that the grand hog did see his shadow Thursday, and it certainly looks like it might be six more weeks of winter weather.

KPAR-TV to Show Income Tax Home Study Course

Abilene taxpayers will be able to take a free income tax home study course on KPAR-TV starting Sunday, February 5, at 12:30 p.m., according to Arthur Fogle, Administrative Officer of Internal Revenue Service at the Abilene office. KPAR-TV is offering the series of ten programs at 12:30 every Sunday afternoon as a public service. The programs were taped by Ted Baze for KERA-TV, Channel 13, Dallas' educational television station. KERA-TV released the video tape for KPAR-TV's use as a public service.

The 30-minute instruction periods feature J. T. Logan, Senior Internal Revenue Agent Instructor for the Dallas District. Instructor Logan has been in the service for 15 years and has instructed several hundred tax men over the past twelve years. He is noted for his ability to explain the tax problem in plain, easily understood language. The veteran instructor has conducted scores of tax clinics for the public and has been regularly featured as a speaker at civic organization meetings.

This educational TV course is based on Internal Revenue Services famed Teaching Taxes course. Several million high school and college students have learned how to prepare simple income tax returns from this course during the past eight years. Taxpayers may order a free student handbook for use in following the home study TV course by sending a postcard to Jim Hodges, P. O. Box 594, Dallas, Texas.

National Electrical Week February 5-11, 1961

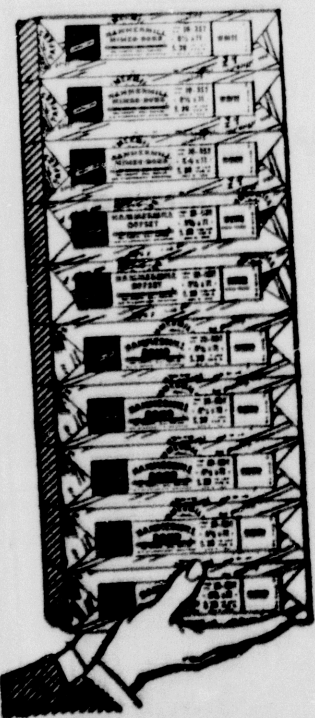

MAKE Electricity WORK FOR YOU

ELECTRICITY, probably more than any other source of energy, has been responsible for the high standards of living enjoyed by millions of Americans today. The nation is more productive, healthier, wealthier, and more secure—thanks in large part to the number of tasks electricity performs.

Today's people live longer because electricity accomplishes the labor that formerly drained their strength and impaired their health. Mass production would be impossible without electricity. At the touch of a button or switch, electricity goes to work in factories, homes, on farms, on the land, in the air, and under the sea—doing the work of millions of people and enabling millions more to enjoy more ease and convenience than ever before. In medicine and in science, electricity enables man to study areas as yet unexplored. Today's children can look forward to a future in which electricity will make even greater contributions to their health, comfort and security.

Electricity stands ready to do even more in the way of improving the world in which we live, whether it is the world of business, science, medicine, research, entertainment. Electricity is ready to create more jobs and whole new industries. It is ready to take on increased tasks on the job, in homes, on farms and in factories. Electricity and its abilities are boundless—they need only to be called upon to serve. This is the electrical industry's message during National Electrical Week, a message to its own employees and to the public: MAKE ELECTRICITY WORK FOR YOU.

If you use 8 1/2 x 11 or 8 1/2 x 14 paper, here's good news!

Hammermill Graphicopy Papers are a new idea that makes it easy to order, use and store paper for every duplicating, printing and office use. There are 19 grades in 200 different items. They come specially packaged in an easy-to-open, easy-to-use carton. Ask us about Graphicopy, and ask for your free copy of the handy Paper Selection Guide to make your paper buying easy.

MRS. CECIL SELLERS ELECTED PRESIDENT OF STUDY CLUB

Mrs. Cecil Sellers was elected president of the Fifty-Two Study Club at the meeting held in her home Friday at 3:00 p.m.

Other officers to be installed in April will be Mrs. Jack Vaughn, Vice president; Mrs. W. G. Ferguson, second vice president; Mrs. Charles Absher, recording secretary; Mrs. Tommy Davis, corresponding secretary; Mrs. J. E. McCoy, treasurer; Mrs. L. A. Joiner, reporter; Mrs. Johnny Steele, librarian historian and Mrs. Clarence Heyer, Federation Counselor.

The geography, religions, customs and celebrated holidays of Finland were discussed by a panel forum composed of Mrs. Sellers, Mrs. Hugh Finley, Mrs. Absher and Mrs. Steele.

Garden Club Plans Tea Friday in Mrs. Maberry's Home

The Hamlin Garden Club will have a tea February 10 at 3 p.m. in the home of Mrs. Dick Maberry. Guest speaker for the afternoon will be Mrs. Mary Newberry, Jones County Home Demonstration Agent.

Officers for the coming year were elected at the January 13 meeting of the club. Those to be installed May 20 are Mrs. W. T. York, president; Mrs. John Ed Day, vice president; Mrs. Herman Wood, second vice president; Mrs. Louis Gordon, recording secretary; Mrs. Harold Bonner, corresponding secretary; Mrs. R. D. Moore, treasurer; Mrs. C. F. Cook, reporter; Mrs. C. G. Green, historian; and Mrs. Tarlton Willingham, librarian.

Alathean Sunday School Class Holds Regular Meeting

The regular monthly meeting of the Alathean Sunday School class of the First Baptist Church was held Tuesday, January 31, in the home of Mrs. Leon Moore with Mrs. Paul Cooper as co-hostess.

Mrs. Tate May, teacher of the class, led the group in a drill on the books and divisions of the Old Testament.

A hostess gift was presented to the lucky class member, Mrs. John Howard Jr. and the lucky associate member, Mrs. Albert Haight.

Those attending were: Mmes. Charles Lovell, Esther Hastings, John Howard Jr., Harold Wells, Herman Sharer, John Hix, Cecil Sellers, J. D. Kitchens, Elbert Payne, Bob Riddell, Robert Fowler, Albert Haight, Tate May and the hostess and co-hostess.

Texas public schools enrolled 2,129,967 students and employed 88,050 teachers in 1960-61.

Five members of the club assisted the P T A and other organizations with the Mother's Proch Light March for the March of Dimes.

Mrs. B. O. Bell, president, and Mrs. W. C. Ferguson will be representatives to the Mesquite District convention in Abilene April 11-12, while Mrs. Sellers will accompany Mrs. Ferguson to the State Federation Convention in Midland May 1-2-3.

Literary Club Hears District President, Mrs. John P. Ward

Mrs. John P. Ward of Aspermont, Mesquite District president of the Texas Federation of Women's Clubs, was guest of the Women's Literary Club meeting held Friday in the home of Mrs. A. B. Carlton.

During her talk with the women Mrs. Ward stressed friendship and togetherness. It is her desire for them to know each other better by walking the paths of friendship together.

She explained the organization of the Mesquite District which is made up of 14 counties and 72 active clubs. They now have a scholarship fund of \$1200.

The district convention will be held in the Windsor Hotel in Abilene April 10 and 11. The guest speaker for the luncheon April 10 will be Mrs. Harry Griffiths, state president.

The speaker was introduced by Mrs. M. T. York, program director.

Sozy Secretary Sez

I use wet string when I tie my parcels for mailing. As the string dries, it shrinks and tightens up any "loose ends."

Ask Amy

BY AMY ADAMS

'VALENTINES' LEAVE HUBBY CHOKED UP

Dear Amy:
I have been married twice and always send Valentine cards to my ex-husbands. Now husband No. 3 saw the cards I bought and asked me who they were for. When I told him, he nearly swallowed his cigar. Do you see anything wrong, Amy, in sending an innocent little card to the ex-men in my life?

Ona

Dear Ona:
What are you trying to accomplish by sending your former husbands these cards? Confine your Valentines to husband No. 3 or else you'll be looking for husband No. 4.

Dear Amy:
I am a girl 17 1/2 and I'm to be married to a guy who is in the army. I have been going with him for three years, and love him very much. My problem is my step-father. He keeps teasing me about him going out on me. Amy, this guy I am to be married to is in Germany now and he will be gone for two years. He is sincere and writes me often. My mother thinks the world of him. It really hurts not to be with him. I try my hardest to keep myself occupied by working almost all the time. My step-father tries to hurt me and I go to pieces when he says things. He does it when the family comes over and I try to put up with it but I can't any more. I have respect for him but I'm losing it. My aunt tried to tell him I have also. But it won't work. Frankie

Dear Frankie:
Some people get pleasure out of teasing others. Play it smart and show him that it doesn't bother you one bit. When he sees he can't upset you, he'll stop teasing because then you will have taken the pleasure out of it for him.

Dear Amy:
I'm going with a boy who is 23 (I'm 19) and he plans to go in the Army before long. We both love each other very much. I went to the doctor two months ago and asked him if I was going to have a child. Well, I am. Should I tell my folks about the child? I told my boy friend and he said we can work it out without my folks. But can we?

Problems

TOWN NEWS

Mr. and Mrs. Otis Hallmark and children who have been living in Abilene for the past two years have moved back to Hamlin. They had formerly lived in Hamlin before moving to Abilene.

Mr. and Mrs. Dan Neathercup have moved back to Hamlin from Lubbock, Texas.

Mr. and Mrs. Ellis West and daughters spent the weekend in Hobart, Oklahoma, visiting relatives and friends. The Wests returned to Hamlin on Monday afternoon.

Mr. and Mrs. Lonnie Binnicker are visiting relatives in Oklahoma and New Mexico. Mr. Binnicker has recently finished his tour of duty with the Army in Germany.

Mrs. Gerry Bowman and two children of Abilene have been spending a few days visiting in the home of Mrs. Bowman's parents, Mr. and Mrs. Joe Murff.

Roy Thompson and his two sons spent the weekend in Ft. Worth, Texas, visiting in the home of Mr. Thompson's parents, Mr. and Mrs. Coy Thompson. While in Fort Worth, the Thompsons attended the Fat Stock Show.

Mr. and Mrs. Kenneth Barnett and children, Mike and Belinda, of Abilene spent the weekend visiting in the homes of the Buren Carltons and the John Barnetts.

Visitors in the homes of Mrs. W. B. Elkins and the Don Locks this past week were Mr. and Mrs. Billy Day and son, Mike of Haywood, California, and Mr. and Mrs. Rex Swinford of Fremont, California. The Day and the Swinforths returned to Texas to attend the funeral of Mrs. B. F. Day who passed away near Duncanville, Texas, on Jan. 28th. Mr. Day was the father of Bill Day and Mrs. Rex Swinford. Mrs. Lock and W. S. King of Hamlin accompanied the Days and the Swinforths to Dallas where they attended Mr. Day's funeral which was held at the Burton Hill Funeral Home. While in the Dallas area Mrs. Elkins, Mrs. Locke and Mr. King visited in the homes of Mr. and Mrs. Eugene Eaton and daughter, Nancy; Mr. and Mrs. Ramon Elkins and son, David; and Mr. and Mrs. John Culp and Sons. They returned to Hamlin on Wednesday.

Visitors in the home of Mr. and Mrs. L. A. Eaton Saturday and Sunday were Mr. Eugene Eaton of Arlington, Texas; Mr. and Mrs. Hearn Eaton of Odessa, Texas; and Mr. and Mrs. Carl Hughes of Seminole, Texas. On Monday they attended the funeral of Mrs. Eleanor Young of Rotan who was a sister of Mrs. L. A. Eaton.

Mr. and Mrs. Joe A. Simpson visited in the home of Mr. and Mrs. Lott Shell of Abilene on Tuesday.

DOLLARS AND SENSE

MARY Y. NEWBERRY
Jones County Home D. Agent

TIPS ON INCOME TAXES:

1. Get all the extra help you need. The Internal Revenue makes available some publications that will help you with your tax problems. The "Farmer's Tax Guide" is available at your local extension agent's office.
2. Don't jump at the "Standard" deduction, or short form. Many people take the standard deduction automatically because they feel that itemizing is too much trouble or because they feel that they have not kept records of these expenditures.
3. Pick the right form, 1040A is the simplest, but has no place for itemizing personal deductions, reporting sick pay, deducting travel or other business expense, for taking credit for retirement income credit. Check the use of 1040W if your income consists of salary or wages plus no more than \$200 interest and dividends.
4. Get all your spending records together—if you haven't kept good records, resolve to do better in 1961.

INCOME TAX TIPS for those still in the process of making out 1960 returns:

1. List all your deductible expenses for the year. Are they less than the standard 10% deduction on adjusted gross income (item 11, page 1 of 1040) allowed everyone? (\$1,000 maximum) If they are, use the standard deduction. If they are more, itemize on page 2.
2. A new law permits you to deduct all medical expenses for dependent parents over 65. Be sure to check the limit allowed.
3. Remember you lose an exemption for a dependent who is over 19 and not a student if he has over \$600 income. To qualify as a student, your child must, during some part of each five calendar months of the year (not necessarily consecutive) be a full time student enrolled for the number of hours of courses which is considered to be full time attendance at an educational institution which maintains a regular faculty and curriculum and has a body of students in attendance. He may qualify as a student pursuing a full time on the farm training course.

Beta Theta Chapter Plans Valentine Party Saturday

The Beta Theta Chapter of Beta Sigma Phi met in the home of Mrs. Tim Jones Feb. 1 at 4:00 p.m.

Mrs. L. C. Bonds and Mrs. Wilson Brannon were program chairmen. Mrs. Brannon introduced Robert Bridges of Abilene, a residential designer, who presented a program on architecture and home planning. A discussion period was held by the group after the speaker had presented his program. Members were asked to take part.

Members were asked to help with the Mother's March for Polio February 3 at 7:00 p.m.

A valentine party with husbands of members as special guests will be held in the home of Dr. and Mrs. James E. Harrison February 11 at 7:30 p.m. at which time the chapter will crown their sweetheart.

Mrs. Jones served refreshments of coffee and cake to the following members present: Mmes. L. C. Bond, Wilson Brannon, Garland Preston, Jimmy Vaughn, Fred B. Moore, Jr., Leldon Clifton, Billy Joe Wilson, Neil Laminack, Guy Weaver, Bill Foster, Orville D. Roland, W. A. Hawkins, Max Murrell, James Harrison, and H. L. Mehaffey.

DOES YOUR TEENAGER WANT TO OPEN A CREDIT ACCOUNT?

You may need to agree on some ground rules and guides before you let him do it.

1. Get your teenager to work up and keep a budget that lists weekly and monthly income including allowances and part-time earnings. Tighter money management is necessary because of the dangers of credit.
2. Certain limits will be necessary. Even if store limits are \$50 you may want to cut it back to \$25 or whatever you feel your child can handle.
3. Be sure your teenager understands that he can't buy more just because he can charge things. Credit should be used primarily as a planning tool to purchase items that can't be postponed and for which the youngster hasn't the cash in hand.
4. Let your son or daughter

Hints Given for Spring-Summer Clothing Needs

Check family clothing needs for spring and summer now, says Mary Y. Newberry, Jones County Home Demonstration Agent, says an attractive wardrobe is within the reach of everyone. It's not necessary to spend a lot of money in order to be well dressed. The important thing is to plan well and choose wisely.

Check the clothes you have on hand; include your accessories. Decide which ones you will continue to use and which you will give away. Make necessary alterations, bringing garments up to date or putting them in first class condition. This will extend your clothing budget.

Now plan what clothes you need to go with what you have. Consider your activities. Include at least one outfit for each activity, or to save money, choose an outfit that can be

accessorized or changed to go many places.

Make a plan and stick to it. Ask yourself these questions before you buy:

Do I really need it?
Does it go with what I have?
Can I afford it?

TELEPHONE TALK by Gene Adkisson, Manager

HOSPITAL CARE BY TELEPHONE

Each day a number of interesting or unusual communications problems crosses my desk. While this one didn't happen here in Hamlin, I think you'll find it interesting, too.

The day after Thanksgiving, a young mother was hospitalized. She needed medication and complete rest. Everything went well until she began to miss her three little girls who were too young to visit her in the hospital. To make matters worse, she worried about not being able to do her Christmas shopping.

When the nurses discovered what was troubling her, they had a quick remedy. A phone was placed next to her bed. She talked with her children every day... and, what's more, did all of her Christmas shopping by telephone. It's stories and services like this that make it possible for us to advertise like this: "You name any communications need, Southwestern Bell has a service to meet it."

Now Hear This . . .

Remember this old phrase made famous by the Navy? It was used to gain attention of crew members in all parts of the ship when new orders of instructions were communicated. When answers were required, all the crew members had to do was "speak up."

Now the folks in Hamlin may have a similar communications system for the home. It's called the home interphone and offers many advantages to save time and needless steps. For instance you can talk from room to room, call people to the phone, even answer the door without leaving the room you're in.

Near each phone in the home is a small speaker which broadcasts the caller's voice. The person called can answer through a small microphone located in the base of the phone.

If you'd like more information about the home interphone just call the telephone business office -- or ask any telephone service man.

KEEP AN OPEN LINE

Once in a while a child or a household pet will cause the receiver to be off the hook. When this happens the phone is automatically closed to all incoming calls.

To make sure there are no lost calls to your home, it's a good idea to occasionally check the phone in rooms where the children play.

Call by number. It's twice as fast. SOUTHWESTERN BELL TELEPHONE COMPANY

PIPER PATTY

by Montie Wade

Janice Richardson, HHS 56" The long awaited trip to the Fort Worth Livestock Show was canceled after the Piper Patter band had begun their journey. One of the buses broke down about eleven miles outside of Albany and by the time a replacement reached them it was too late to continue to Ft. Worth. The band returned home about 11:30 a.m. Saturday.

The annual Hamlin High School Carnival will be held Saturday night at 7:00 p.m. in the old high school gym. Games such as a cake walk, bingo, fishing and others will be sponsored by various classes.

The seniors will sponsor a chili supper in the cafeteria from 5:30 to 7:00. At 9:00 the coronation will be held in the auditorium.

Berry Cheshier, Londa Cavitt, Sarah Snapp, Lewis Lawlis, and sponsor, Huron Polnac, will attend the Library Club State Meeting in San Antonio, February 23-25. Sandra Bury is alternate for the trip. The group will leave Hamlin at noon on Thursday and will return Saturday night.

Students and teachers of the Hamlin Public Schools had a break in their regular schedule when school was canceled Tuesday because of the bad weather. It was scheduled to resume again Wednesday.

Thurman Named On Several House Committees

Representative Leon Thurman of Anson was named today by Speaker James A. Turman as Vice-Chairman of the Committees on Criminal Jurisprudence, and Military & Veterans.

Weather Clear TRACK ~~FAST~~ *Fatal!*

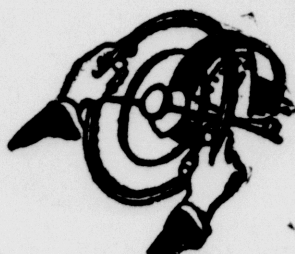

When racing drivers are out for new speed records, they pray for a clear, fast track.

But those same conditions on the nation's highways produce *different* records—deadly records! Last year 80 per cent of fatal accidents, 26,280 occurred in clear weather on straight, dry roads. Only one answer—too much speed, too little control.

Highways are not raceways, but every road has its dread quota of "race track fringe" drivers. One highway safety authority says: "It is not a question of what is a safe speed—now it is what is a '*survival speed*' for the average driver? It isn't up in the 65 miles an hour and plus range, where sustained momentum hypnotizes the senses, where impact is deadly. Now we must slow down to live!"

In the last four years average speeds have been creeping up until more than half of all rural driving, passenger cars and buses, are now exceeding fifty miles per hour with many of them doing well over sixty.

This high speed hysteria must be tamed. It has become a national emergency to be met by indignant public demand for more and stricter law enforcement. Let's stop this losing race with Death!

SLOW DOWN—LIVES ARE IN YOUR HANDS!

THE HAMLIN HERALD

OLD GLORY NEWS--

By HELEN DIERS

The Old Glory teachers hosted the annual trustee-teacher supper which was held in the cafeteria on January 30. The theme used was "Around the World." "Colorful posters from various countries decorated the walls of the cafeteria. United Nations colors of blue and white, tiny dolls from all nations, and other decorative items were used to carry out the theme.

The program of songs, a dance, and descriptive talks about customs of other lands was given by the homemaker girls, dressed in appropriate costumes. The menu for the supper consisted of fried chicken, roast beef, and a large variety of breads, salads, vegetables, desserts, tea, and coffee.

The affair was planned and prepared by the homemaker classes, under the direction of Mrs. Leverett.

Those attending were: Mr. and Mrs. Spitzer, Mr. and Mrs. Dundersing, Mr. and Mrs. Herbert Vahlenkamp, Mr. and Mrs. Oren Baldree, Mr. and Mrs. Allen Letz, Mr. and Mrs. Ancil Sawyer, Mr. and Mrs. Pierce, Mr. and Mrs. V. R. Leverett, Mr. and Mrs. Tom Pritchard, Mr. and Mrs. T. E. Bell, Mr. and Mrs. Glover Nickerson, Mr. and Mrs. Cecil Klump, Mrs. Kitchen, Mrs. Bernice White, and Mr. and Mrs. Bunyan Johnson.

Two adult basketball games are to be played in the Old Glory gym on February 9 for the benefit of the March of Dimes. Old Glory outsiders will meet the Rule outsiders, both men and women games. The games will begin at 7:00 p.m. and the admission will be the contribution to the March of Dimes.

V. R. Leverett attended an administrators meeting in Lubbock Tuesday. The purpose of the meeting was an explanation by the state agency of the guidance requirements to be enforced next year.

The winter meeting of the Stonewall County Teachers Association will be held at the Hickman Cafe on February 28. Old Glory teachers are to be the host group.

Students in grade 7-12 are now clipping and saving the YOU CAN GET BETTER GRADES series of articles appearing in the ABILENE REPORTER NEWS. Forty three papers are sent to the school each day.

Mr. and Mrs. Merwin Eager and Cecil were guests in the home of Mr. and Mrs. V. R. Leverett Sunday.

The Old Glory Girls' 4-H Club met in regular session on February 2. Thirty-two mem-

Savings Bonds Have A Birthday

Retiring Treasury Secretary Robert B. Anderson (left) and the new Secretary of the Treasury, C. Douglas Dillon, joined in ringing a replica of the Liberty Bell to signal the 20th anniversary of the U. S. Savings Bond program. The recent ceremonies took place on the west steps of the Treasury Building, opposite the east entrance to the White House. Americans now own over \$43 billion in series E and H Savings Bonds. This is an all-time record high. The Liberty Bell replica in the Nation's capital has counterparts in every state, donated by leading American companies as a feature of the Independence Savings Bond drive in 1950. State governors, as honorary bond chairmen, will rally their volunteer forces with similar bell-ringing ceremonies this spring.

bers and Mrs. Leverett were present. Announcements concerning the County Livestock Show were made.

Billy Vahlenkamp gave a demonstration on egg candling. She showed an "A", "B" and "C" egg and also showed how they are tested to determine the grade.

Sharon Leverett taught the group two new songs.

Sandra Sparks, eighth grader, has moved to Dallas from Old Glory. Her parents had lived in Rule, but she attended school at Old Glory.

The 4-H helped in the local drive for the March of Dimes. Helen Diers was chairman of the drive at the local girl's club. The club collected over -18.00.

V. R. Leverett, Truette Henning, and Garrett Spitzer have been to Niconia, Texas lately. They were looking for black Angus cattle for the local 4-H club.

Sharon Leverett, daughter of Mr. and Mrs. V. R. Leverett, spent Saturday visiting her sister, Chance, student at ACC.

CELOTEX CONCEIVES PLAN TO STIMULATE HOME BUYING

A unique program to stimulate home buying through unemployment insurance coverage of new homes will be tested in the Chicago area starting about March 1.

Conceived by the Celotex Corporation, the plan provides mortgage payment insurance for eligible new home owners who buy homes in qualified new subdivisions. Details of the pilot test have been worked out between the National Association of Home Builders and the Continental Casualty Company, the insurance firm underwriting the policies.

The plan guarantees monthly mortgage payments of home owners who lose their jobs through no fault of their own, or unable to work because of sickness or injury. The NAHB said builders will take out the policies for eligible home pur-

chasers and pay the insurance premiums.

"Availability of the plan should have a stimulating effect on the sale of new homes," said Henry W. Collins, Celotex president. A recent NAHB survey Collins said, indicated that public uncertainty about the economic future was a major cause of reduced home sales.

"We believe that builders need a way to stimulate confidence in the future and eliminate worry about loss of income among prospective home owners. The unemployment mortgage insurance plan was developed to combat this public pessimism," he added.

Celotex officials proposed the plan several months ago to Continental Casualty. After careful study, Continental agreed to pioneer the underwriting of

the insurance program on a test basis. The NAHB has cooperated fully in the development of the plan and is enlisting the support of builders in the Chicago test area.

"The home building industry thanks Celotex for its part in developing a solid concept to stimulate home building," said Martin J. Bartling, Jr., immediate past president of the NAHB.

The pilot test will involve up to 10,000 housing starts. Unemployment coverage includes a maximum of six months of mortgage payment for each continuous period of unemployment. Initially, builders will have the option of taking either one or two year policies.

Officials of all three organizations - Celotex, Continental Casualty and the NAHB-hope the insurance plan will spread rapidly to a national scale the pilot test succeeds.

Jones County T-D Members Attend Planning Meeting

Jones County home demonstration agent, Mary Y. Newberry, Mrs. Noel Weaver, County THDA Chairman and Mrs. H. H. Windham, Jones County Council chairman, attended a THDA training planning meeting held at Matador Monday.

Jones County's part on the program "How Resolutions are Presented" was given by Mrs. Noel Weaver.

Plans were made by those attending for the district THDA meeting to be held April 10 at Vernon, and the state THDA meeting scheduled for August 9th and 10th at San Angelo was announced.

Rev. Edmund Robb, pastor of the First Methodist Church, is attending a pastor's school at Perkins School of Theology, SMU, in Dallas this week.

STARTS SUNDAY AT ROGUE—Elizabeth Taylor proposes a toast to Eddie Fisher and the latter's suspicious girl friend, Susan Oliver, in a scene from "Butterfield 8," Metro-Goldwyn-Mayer film version of John O'Hara's explosive novel. Also starred in the Pandro S. Berman production are Laurence Harvey and Dina Merrill. The new picture was filmed in cinemaScope and color.

ELIZABETH TAYLOR STARS IN 'BUTTERFIELD 8' COMING SUN.

Elizabeth Taylor plays the most daring, down-to-earth and dramatically powerful role of her career in "Butterfield 8," Metro-Goldwyn-Mayer film version of the widely-read novel by John O'Hara, coming to the Rogue, starting Sunday. Also starred in the spotlight cast are Laurence Harvey, who won an Academy Award nomination for his brilliant work in "Room At The Top," and Eddie Fisher with Dina Merrill co-starred.

"Butterfield 8" tells the story of Gloria (Miss Taylor), whose traumatic experience as a child has left a permanent scar. Living by her own twisted tangle of rules, she had always thought love was the biggest lie since men and women were invented. That is, until she meets Weston Liggett (Laurence Harvey), married to Emily (Dina Merrill), whose devotion he cannot return but who gives him something he very much wants a cloak of respectability.

The attraction and tie between Gloria and Liggett is a stormy, emotional one, a relationship which brings both hurt and happiness to themselves and others. But through it they are able bring out into the open the violent inner turmoil of hidden conflicts which has blighted their lives, until their story is resolved in a taut and gripping climax.

Eddie Fisher, in warm and sensitive portrayal, enacts Steve, young pianist friend of Gloria, the only person whom she feels really knows and understands her, and in whose Greenwich Village apartment she often takes refuge.

Others in pivotal rolls are Mildred Dunnock, Betty Field, Jeffrey Lynn, Kay Medford and Susan Oliver.

"Butterfield 8" was filmed in Cinema-Scope and color entirely in New York City and its surrounding areas, with scenes shot on location in Greenwich Village, Fifth Avenue, Stony Point, Elmsford, Larchmont and Long Island.

Pfc Burford Adams To Participate in Training Exercise

FORT RICHARDSON, ALASKA (AHTNC)—Army PFC Burford T. Adams Jr., 24, whose parents live on Route 1, Sylvestre, Texas, is scheduled to participate in Exercise Willow Freeze, a cold weather warfare field training exercise in Alaska, Feb. 9-18.

The exercise will take place in a 1900-square-mile area of rugged arctic terrain where temperatures range to 60 degrees below zero. Units regularly stationed in Alaska, and skilled in Arctic warfare, will defend against the attacking 82 Airborne Division paratroopers from Fort Bragg, N. C. The exercise culminates over six weeks of special cold weather training for the paratroopers who will return to Fort Bragg upon its completion.

Adams, assigned to the 80th Transportation Company is regularly stationed at Fort Richardson, Alaska.

He is a 1957 graduate of Stamford High School.

Cattle Raisers Association to Meet In Fort Worth

Fort Worth, February—Factors affecting both consumers and cattle producers will be in the spotlight at the 84th annual convention of Texas and Southwestern Cattle Raisers Association's convention in Fort Worth, March 20-22.

Proposed changes in the beef grading system have generated considerable interest by every segment of the beef cattle industry in recent months, and subjects of discussion which are destined to affect the cattle business in the years to come.

The convention will bring together cattlemen from throughout the Southwest, and they will hear addresses by some of the nation's foremost livestock and legislative leaders.

The Texas Hotel will be Convention headquarters. This marks the 31st time TSCRA has chosen Fort Worth as its convention city. The first was in 1883 -- seven years after the Association was organized at Graham under the name of the "Stockraisers Association of Northwest Texas."

Fort Worth has been headquarters for the Association since 1891.

Permian Basin Gas Producers Name Committee

MIDLAND, TEX.—Formation of the Permian Basin Independent Gas Producers Committee has been announced. Its membership is being expanded to be representative of all towns and cities in this area which covers West Texas and Southeast New Mexico.

Primary purpose of the group, a spokesman said, will be to alert and advise all independent producers and royalty owners concerning the Pre-Hearing Conference to be held by the Federal Power Commission in Midland, beginning March 6.

That event is being held prior to the FPC setting dates and places for holding formal area price hearings which will develop a record that the regulatory body will use in setting prices purchasers may pay natural gas producers in the West Texas-Southeast New Mexico Area.

Noel Weaver, farmer in the Neinda community, had been appointed chairman of the County Disaster Committee.

Texas today has 1,531 school districts; in 1948-49 it had 4,474 districts.

Write your social security office for free leaflet No. 1 to get full information about 1960 changes in the social security law.

A/2c E. C. Butler Jr. son of Mr. and Mrs. Cliff Butler of Hamlin, was married to Marion

Thompson February 2 at Barksdale Air Force Base, Shreveport, La., where he has been stationed for the past 2 1/2 years.

Mrs. F. E. Cauble is a patient in the Callan Hospital at Rotan.
